

# TOILET TRAINING

## Did you know...

**Lucidpress is a nice web-based alternative to Microsoft Publisher?**

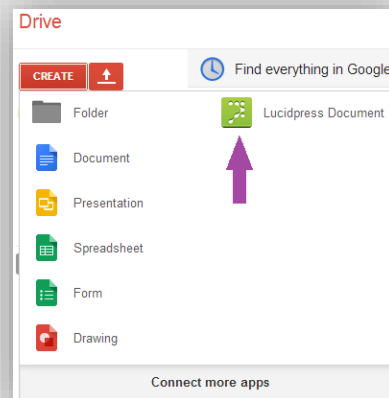

**Lucidpress Layout and Design**  
from lucidpress.com

A web-based tool that helps you intuitively produce stunning print and digital newsletters, flyers, brochures, photo books and more.

**+ FREE**  
Office Applications  
★★★★★ (140)

- 1. In Chrome Web Store, add Lucidpress.**
- 2. Sign up for an account using your bps101.net account (Students 13 and older can sign up for a single user, free account using their school Google account.)**
- 3. Students and teachers can upgrade to a pro account for free once signed up. (Go to [www.lucidpress.com/pages/education/students](http://www.lucidpress.com/pages/education/students) and click green “Request free upgrade” button. You should be approved within 24 hours.**
- 4. Connect your Lucidpress with your Google Drive to access your projects from your Drive**

### Too much to remember?
