12 Reasons to Try Google Classroom

For those of you who are not familiar with google Classroom, here are some of the things you can do

- * Teachers can use Google Classroom to create and collect assignments paperlessly.
- * Automatically make copies of Google documents for each student
- * Create Drive folders for each assignment and for each student to help everyone keep organized
- * Provide direct and real-time feedback and grades
- * Keep track of who has turned in assignments
- * Quickly review assignments
- * Send announcements and start class discussions instantly
- * Students can see all of their assignments on an assignments page
- * Students can share resources with each other or provide answers to questions on the stream.
- * Students can open their assignments and work on them right from their phone or tablet.
- * Students and teachers can view their classes and communicate with their classmates in real time
- * Students can keep track of what's due on the Assignments page and begin working with just a click
